Skipper Limited's efforts towards Covid Relief

Kolkata, Tuesday, 10th June, 2021: *Skipper Limited (BSE: 538562) and NSE (Symbol: SKIPPER), is one of the world's leading manufacturers of Power Transmission & Distribution structures and a prominent manufacturer of Telecom and Railway structures. Skipper is also a significant player in Polymer Pipes & Fittings industry. In an announcement today, the company shared it has started vaccinating all its employees without any charges and their family members above 18Years to combat the second wave of pandemic . The vaccination initiative is being rolled out under its covid relief programme called "Skipper Cares"*

In a letter to all Skipper employees, the Managing Director, Mr. Sajan Kumar Bansal, said that the Covid 19 Vaccine is the only alternative left to arrest the second wave of the pandemic and the challenges posed by it.

The company has already extended hybrid model of work culture. In the manufacturing plants, the company has rolled out its operations with minimum workforce to continue delivering the committed output to its customers.

Mr. Bansal commented, "As the situation around the world with regards to Covid-19 continues to evolve, we continue to diligently deal with this global challenge. We have taken strict measures to ensure the safety of our employees and have already started vaccinating our employees. We have revised our Covid term policy by enhancing the insurance coverage and those in home isolation can also claim redemption through our empanelled health insurance partner. In no way can our words or actions make up for the tremendous loss for the family, which has lost someone of its own. However, we have launched a special scheme for supporting the families of our employees who have lost their lives to Covid."

The CSR wing of Skipper, Skipper Foundation continues to cater to the community in these tough times, distributing food and medicine supplies to the cyclone hit locations of West Bengal. Skipper also distributed Oxygen boosters to Shree Vishudhanand Hospital, Kolkata.
